Be on the lookout for visits from the Kona Ice Truck during the summer!

## About our Lunch Program

Lunch is an important part of the camp day. It gives our campers and staff the chance to recharge with well-balanced and kid friendly meals in a welcoming environment.

Buckley Day Camp is peanut, tree nut, sesame and fish aware. We make every effort to keep our campus free of these items.

For the summer of 2018, we will be working with Whitson's Food Service Company again. Whitson's has years of experience providing schools and summer camps with fresh, healthy and delicious lunches.

In addition to the staff in the kitchen, we also have an allergy specialist on the team at Buckley to ensure that campers with food allergies or dietary restrictions receive the individual attention that they need.

If there are any different needs or concerns regarding the menu, please contact the camp office prior to the start of camp. All food allergies should be discussed with our Camp Director and will be handled on a case by case basis.

## Salad Bar

Our salad bar offers fresh greens, shredded carrots, celery sticks, tomatoes, cucumbers, grilled chicken, egg salad, chicken salad and rotating daily specials. Yogurt with a variety of toppings is also available daily.

## Bagels and Sandwiches

Turkey breast, ham and sliced cheese is available daily to make sandwiches or add to salads. Bagels with butter or cream cheese are also available daily.

## Pasta

Plain pasta will be available at every meal as an alternative as well.

## Drinks

Campers have the choice of ice water and either apple juice or lemonade daily.

## Daily Snack

Dry snacks including graham crackers, pretzels or chips are provided daily. Additionally each afternoon fresh fruit, as well as, ices are offered as a refreshing treat.
