Please note this form is optional

To be completed by your physician for all campers and staff less than 18 years old
Parents, please initial

Name _____

Standing Orders for Over-The-Counter Medications

The physician must complete this form if you would like us to administer any of the following over-the-counter medications in camp.

IMPORTANT - Parent/Guardian: Please read below and initial here _____.

Your physician must complete this form by checking "yes" or "no" on each line and signing at the bottom. By New York State law, we cannot administer over-the-counter medications unless both this form and the Physician's Report are properly completed and signed by the physician. A doctor's order of "no" with no alternative listed alongside it means that we cannot administer that medication to your child, no matter how badly it is needed. Please ask your doctor to take the time to complete this form thoroughly. If necessary, you can complete the form and ask your doctor to verify and sign off on it, but we must have this permission from your child's doctor in order to administer over-the-counter medications.

The following medications can be administered by a camp nurse if approval is indicated by the child's physician. The physician MUST note on this form, the route of administration, dosage, and schedule of each medication they are saying YES to. Generic equivalents of name brands may also be administered; please indicate if a child has an allergy to a specific generic or name-brand drug.

Drug Name	Doctor's Order	Special Instructions for Administration or Alternate Medication
Ibuprofen	<input type="checkbox"/> Yes <input type="checkbox"/> No	
Tylenol	<input type="checkbox"/> Yes <input type="checkbox"/> No
